

FARIBAULT PUBLIC WORKS

KEEPING FARIBAULT MOVING - EVERY DAY

From our streets and infrastructure to water and sewer systems, our team works year-round to keep Faribault safe, clean, and connected.

THANK YOU TO OUR
INCREDIBLE CREWS!

NATIONAL PUBLIC WORKS WEEK

NPWW

– MAY 17-23, 2026 –

MEET THE CREW

KYLE KOBE

3 YEARS

with the city of Faribault

ROLE:

Streets Superintendent

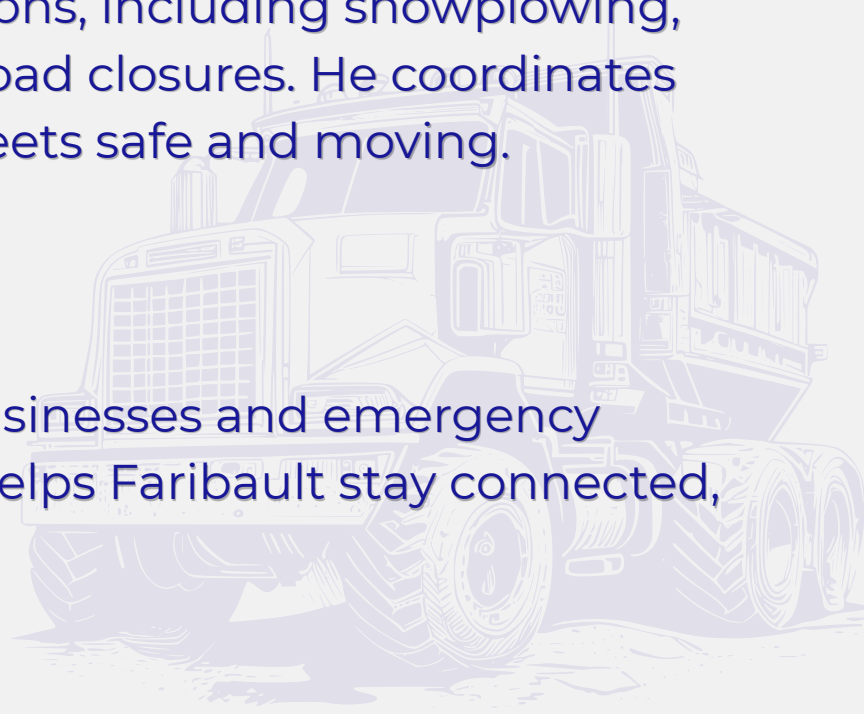

WHAT HE DOES:

Kyle oversees Faribault's street operations, including snowplowing, road repairs, signange, drainage and road closures. He coordinates crews and daily operations to keep streets safe and moving.

WHY THIS MATTERS:

Safe, reliable streets keep residents, businesses and emergency services moving every day. This work helps Faribault stay connected, accessible and prepared year-round.

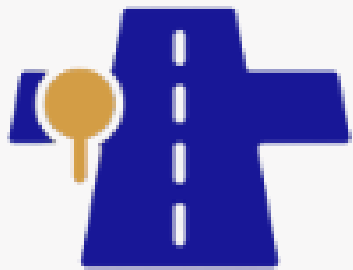

BY THE NUMBERS

KEEPING FARIBAULT MOVING

From our roads to our sewer systems, Public Works crews work every day to keep Faribault safe, clean and connected.

114

MILES OF STREETS MAINTAINED

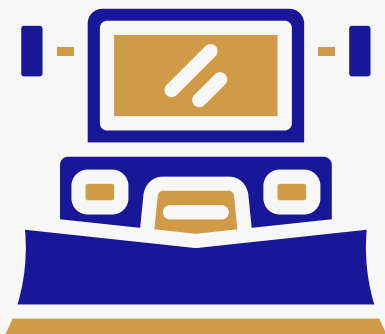

We maintain our streets to keep Faribault safe and connected.

121

MILES OF SANITARY SEWER LINES

We maintain miles of sewer lines behind the scenes every single day.

15

SNOW REMOVAL VEHICLES

Working around the clock to keep our roads safe during winter weather.

143

MILES OF WATER MAIN LINES

Keeping our system strong for a healthier Faribault.

MEET THE CREW

Mike Glende

22 YEARS

with the city of Faribault

ROLE:

Utilities Superintendent

WHAT HE DOES:

Mike oversees Faribault's utility operations, including water distribution, sewer systems and infrastructure maintenance. He helps ensure residents and businesses have reliable access to safe water and essential utility services.

WHY THIS MATTERS:

Clean water and reliable sewer service are essential to daily life, public health and community growth. This work keeps homes, businesses and critical services running safely every day.
